

BREATH

Breath and tell me every word
Breath and tell me every word (breath)
slowly, slowly

Breath and tell me...

—

Breath and tell me every word
Slowly, slowly. Ah....

—

“Ti voglio bene”
It’s all I say
It’s all I pray

—

Breathe and tell me every word slowly ah...

Ah.. ahh..

Breathe and tell me every word slowly ah

—

Say
I’ll give you back
Every single word
For me
