

CRAVE

He craves  
So much wealth, don't care

She cares  
For her reign, don't fake

We crave  
More than them  
Wildness, wildness.

Deafen defend!  
Deny, the hush!  
Deafen defend!  
Sublime Love!

He craves  
Conscious games, don't care

We are them  
Human raze  
Wildness, wildness.

Give it time...
