

TEASER

Time to clear the social media
To walk the avenues with empty corps
To crawl bare feet, regret the feelings
Of guiltiness, no more emptiness.

Time to dare to fight the media
Be brave enough and sweep the faults
To crawl bare feet, condemn the feelings
Of cruelty, no more emptiness.

Time to seal hypocrite media
To rock the bodies with empty roots
To crawl bare feet, regret the feelings
Of guiltiness, no more laziness.

Time to clean polluted signals
To stop disastrous confinements
And bring to an end, all the disgrace
Of innocents, no more evidence.

Teaser, evil wrong.
